

B77

The B77 circular luminaires with a minimalist design help designers and architects create a warm, welcoming atmosphere. They are available in both surface-mounted and suspended versions, with direct or direct/indirect light distribution, and come with either an opal or microprismatic diffuser. The luminaire body is made from a 77 mm high aluminum profile, finished with a fine-textured powder coating.

CODE	B77.0004.C.02.8.30
INSTALLATION	Surface-mounted
COLOR	02 - Black
EFFICIENCY	HE
TOTAL CONSUPTION	42,27 W
OUTPUT	4702 lm
LIGHT DISTRIBUTION	Direct
DIAMETER	858 mm
DIFFUSER	Satine
CCT / CRI	3000K Ra80
DRIVER TYPE	Flexi
IP RATING	IP40
INPUT VOLTAGE AC	198-264V
INPUT VOLTAGE DC	170-280V
LED LIFETIME	L80/B20 80000h
MACADAM	3
